New Business:

8467 Weapons - discuss whether to add safe firearms storage information

Discussion regarding whether or not this was the appropriate policy to use to embed information about safe firearm practices. Decided this was not the best fit. Committee members agreed to examine other potential policies (maybe 7430 School Safety?) to consider. Dr. Taylor will also forward this to the Safety Director for consideration.

9130 Public Complaints - status of regulations

Previous regulation only included steps for half the policy. The other half of the regulations have been drafted and have been sent to Dr. Taylor for review. Pending approval, they will be posted.

Goal setting

Discussion had about potential goals for the upcoming year. Agreed to revisit next month.
