Dr. Ficarra also informed the Board that all administrators are being trained on incident command during a crisis, and that the District plans to launch a reporting system for students to anonymously submit information about security issues. The District will continue to add in additional security measures, in collaboration with the community, to safeguard our students and staff.

BOARD PRESIDENT'S UPDATE - Ms. Baker

Board President Elizabeth Baker recognized the one year mark of Dr. Ficarra's Interim Superintendency, and the incredible amount of work done to raise the level of service, stabilize the District's operations, recruit talented

educators and develop leadership among current staff, and to launch facilities and integration planning, always ensuring that everything is focused on students.

Ms. Baker announced the Board's decision to retain executive search firm West Hudson Associates, and specifically Dr. Librera, to lead the search for the next Superintendent.
