REPORTS TO	Assistant Superintendent for Curriculum and Instruction
JOB GOAL(S)	As a teacher of teachers, the subject supervisor will assist staff in the continuing effort to improve instructional opportunities and outcomes for students. The primary goals of the Subject Supervisor are to effectively lead the subject area instructional program K-8 in ensuring the development of appropriate students skills; to maintain the K-12 district vision for the appropriate subject area, and to articulate the K-12 program. The subject supervisor will assist in the supervision of the K-8 subject area staff.

PRIMARY RESPONSIBILITIES

1.	Implements together with the 9-12 subject supervisors, the district's curriculum as it applies to the K-8 subject area;
2.	Provides coaching assistance and models best practices for all K-8 teachers in the appropriate subject area;
3.	Leads staff development programs necessary for teachers to develop and implement the K-8 program successfully in conjunction with the building principals and assistant principals;
4.	Oversees the selection, purchase, and inventory of all textbooks, teaching supplies, and equipment, as well as repairs, as appropriate for the subject area;
5.	Maintains linkage with other program areas, as well as other professional and community groups; provides periodic presentations to parents and other community groups;
6.	Conducts department and curriculum meetings; works in order to effect horizontal and vertical continuity and articulation of the K-12 program;
7.	Demonstrates a mission which includes knowledge of innovations and current trends in teaching and learning in the appropriate subject area;
8.	Demonstrates the ability to create the educational conditions under which the innovative and current trends

	would be included in an educational program;
9.	Develops, administers, and monitors a budget to support the K-8 subject area program in conjunction with the building principals and assistant principals;
10.	Demonstrates the ability to integrate educational technology into the delivery of the K-8 program;
11.	Collaborates with the building principals in recommending teachers in the appropriate K-8 subject area for employment and assignment;
12.	Assists the Office of Human Resources in recruiting subject area teachers K-8;
13.	Performs all other duties assigned by the Assistant Superintendent for Curriculum and Instruction.
