

AP SPANISH
SUMMER ASSIGNMENT

Rocio Lopez D314

¡Bienvenido/as a la clase de AP Lengua y cultura!

I would like to welcome you to my Spanish class where you are going to have the opportunity of learning not only about the Spanish Language but also about different cultures.

In order to be better prepared and more successful in AP Spanish for the next school year, it is necessary that you complete a summer assignment. The summer assignment will be part of your 1st marking period grade.

To access our summer assignment please go to our AP website "lopezord.eboard.com". Once you are in the page, please go into the window named Summer Ass., click on it, and write the password "vamos".

If you have any questions please feel free to email me at rlopez@somsd.k12.nj.us

Un saludo,

Rocio López
