Dear Parents/Guardians of students in grades 3-11:

The South Orange and Maplewood School District has been selected as a Field Test District for the spring 2018 Administration of the PARCC. Districts selected as a field test district must take an additional unit of English Language Arts (ELA). Due to an extra unit being added on to the ELA PARCC, it is necessary to adjust the schedules for our elementary school students as they are only used to taking one unit of ELA per day because they are longer units than the math units. The schedules of our secondary schools did not require updating as they normally test two units per day. We do not know which unit of the test is the field test unit. Therefore, it is necessary for students to complete all units of the test.

The updated schedule is attached. If you any questions about the schedule, please contact the test coordinator at your child's school.

Thank you,

Dr. Kalisha Morgan
