

Middle School Math Course Selection

Information Sessions for Parents/Guardians

During the week of April 10, you will receive a letter in the mail. The letter will include the student's recent math performance and descriptions of courses available for next year.

These information sessions will prepare you to make an informed decision about your child's math course for next year and beyond.

We will...

- Explain the course selection process.
- Describe the courses available at each grade.
- Clarify distinctions between the courses.
- Show possible paths for math courses.
- Share information about summer programs and resources.
- Answer any questions you have.

Both sessions will cover the same information.

Parent Information Nights

**Tues. April 23
7:00-8:00PM
SOMS Auditorium**

**Thurs. April 25
7:30-8:30PM
MMS Auditorium**
