Dear Parents and Guardians:

At the beginning of each school year, every parent/guardian is given the opportunity to purchase supplemental accident insurance for their children. There are three options available: "At School" Accident Insurance coverage, "Around-the-Clock" Accident Insurance coverage, and Dental Accident Insurance coverage.

Student Accident Supplemental insurance for our district is provided through New Jersey School Boards Association, underwritten by Berkeley Life and Health Insurance Company and managed by the Bob McCloskey Insurance (BMI) Agency for the 2018-19 school year.

If you would like your child to participate in this program for this school year, please refer to the attached Student Accident Insurance flyer.

All claims for accidental injuries should first be submitted to your own health care insurance carrier which is the primary source of coverage; BMI should be considered a secondary source of coverage. To submit a claim, please see your school nurse who will provide you with the a claim form to send to McCloskey Insurance Agency.

If you have any questions, please feel free to contact my office.

Sincerely,
