TO: All Parents/Guardians
FROM: Dr. John J. Ramos, Superintendent
DATE: October 14, 2016
SUBJECT: Asbestos Management Plans

The Asbestos Hazard Emergency Response Act of 1986 (AHERA) requires the Board of Education to notify you each year that there is an Asbestos Management Plan in each facility owned by the South Orange-Maplewood Board of Education. These plans are available for your review without cost or restriction through the chief administrator of each building. Copies are available for a reasonable fee.

Periodic surveillance inspections were done at all district facilities in August 2015 and February 2016.

If you have any questions regarding the Management Plan, please contact Mr. William Kyle, Supervisor of Buildings & Grounds, at 973-378-9651.
