

Kindergarten Transition Resources

Greetings SOMSD Families,

This resource page contains information about Kindergarten transition. These resources were presented during our Kindergarten Transition Workshop for families. Some of this information contains presentation slides, links to articles, suggestions on preparing yourself and your child for kindergarten, recommendations on problem-solving, and links to two digital read-alouds. Please scan the QR code to access the digital books.

The link below contains the Kindergarten Transition Presentation slides.

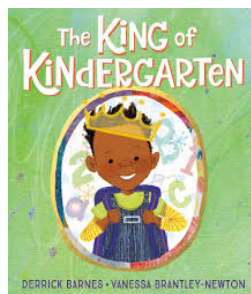

[Kindergarten Transition Workshop Presentation](#)

[How to Get Your Child Ready for Kindergarten](#)

This article provides suggestions on how families can prepare their children for Kindergarten.

[Tucker Turtle at Home](#)

Tucker Turtle at Home is a Social emotional tool that families can use to help guide their children through problem-solving strategies. Families can print the book, and cards and use them in various situations, such as dealing with sibling conflict, playdates, birthday parties ect.

Please Enjoy and Good Luck to all of our families!
Ms. Lane (CPIS)
